## United Nations Youth New South Wales Voice Public Speaking Competition Sample Topics

Please note that these are only sample topics from the 2016 Voice Competition; they are NOT the topics that will be used for the 2020 Voice Competition. Please use them only as a guideline for what to expect. You should not write a speech about any of the following topics to present. Please also note that, unlike the 2016 Voice Competition, the topic list will be the SAME for all three divisions.

### **DIVISIONAL JUNIOR TOPICS 2016**

1. How can we promote equal access to education across Australia?
2. What can we do to stop bullying on social media?
3. How can we promote gender equality in the Australian entertainment industry?
4. How do we ensure all Australians have access to adequate health services?
5. How do we improve access to youth services for people in regional and remote Australia?

### **DIVISIONAL SENIOR TOPICS 2016**

1. How can we reduce 'sexploitation' of women in sport?
2. How can we decrease the education gap between schools in Australia?
3. How can we ensure that the Australian political system better accounts for minorities?
4. How can we better secure the human rights of the elderly in Australia?
5. How can we promote positive interfaith dialogue amongst youth?
